AFFILIATE PACK

Last updated: May 2026

Hi, Welcome to PositiveHug!

PositiveHug® is the go-to brand for emotionally intelligent, thoughtful, pink-loving, kind, ambitious women for cosy streetwear & gifts. Our collections are designed to uplift, motivate, comfort, encourage and spread kindness, self-love, positivity and self-worth to others. From empowering affirmations to playful feel-good quotes for daily mindset resets.

PositiveHug was founded by Michelle Summers in 2025, a personal stylist and style coach, self-kindness advocate, handbag lover and a true believer in authentic personal style and the power of positive words

PositiveHug is a UK-based small business with year-round gifting appeal.

We use global printing facilities and ship worldwide.

About Positivettug

PositiveHug creates meaningful clothing and gifts with kind words, uplifting and motivational messages. From self-love affirmations to social kindness and bright positivity pieces, our feel-good designs support confidence, self-worth and everyday joy. UK-based, worn worldwide

PositiveHug is for emotionally intelligent, expressive, colour-loving women who believe women should be bold, visible and celebrated.

Our customers are:

- Thoughtful gift-givers who use small gestures to create real connection
- Women who prioritise self-kindness and love visible reminders of encouragement
- Confident, optimistic, determined and kind-hearted women
- Energy-led shoppers drawn to bold, joyful brands
- Proud supporters of female-led businesses

They don't just buy products... they buy emotional impact - for others and for themselves.

OUR MISSION IS SIMPLE...

To create wearable reminders that help people feel supported, empowered, and a little less alone. To gently challenge negative self-talk. To spread self-love and social kindness in ways that feel natural, subtle, and real.

Each collection reflects different expressions of positivity, from calm simplicity to joyful colour, because no two people (or journeys) are the same.

PositiveHug is more than clothing.

It's a reminder that you matter.

And that small acts of social kindness can ripple further than we ever see.
